## Profile

---

Dedicated Computer Science graduate with a strong foundation in Web Technologies and over 1+ year of hands-on experience in frontend development using modern tools and frameworks. I have volunteered at eDevice CR as a Frontend Developer, contributing to real-world projects and collaborative team environments. Passionate about building responsive and user-friendly web applications, with continuous learning in mind. Currently expanding my expertise by learning backend development and exploring new and emerging technologies. Actively engaged in extracurricular activities including video gaming, video editing, content creation and cricket.

## Education

---

COMSATS University - Abbottabad Campus | BS Computer Science

Mar 2021 - Jan 2025

**Relevant Courses:** Web Technologies, Database, Object-Oriented Programming, Mobile Development, Software Engineering, Mobile App Development, Visual Programming, Game Development.

## Projects & Experience

---

[eDevice-CR](#) - Abbottabad Police | Frontend Developer (*Community Project*)
